Requests for transcription services for classes should be made at the time of registration, but no less than four (4) weeks prior to the start of each semester. Late requests will be filled as soon as possible.
- Requests for transcription services for campus events should be made at least two (2) weeks prior to the date of the event. Late requests will be filled as soon as possible.

Transcription Services Cancelation

If a student needs to cancel the transcription service for the class or event already scheduled, s/he must notify Student Access Office (SAO) two (2) full business days in advance of the scheduled event or the student shall be charged for the service.

Student No Show:
If the student does not attend a scheduled class or activity, the absence will be considered a no show and the student shall be charged for the service.

Because students are mature and responsible adults, they are expected to inform SAO two (2) full business days in advance if they need to cancel transcription services (as noted above). If unable to provide two (2) full business days’ notice, they should SAO as soon as they are aware of the probable cancellation. If no notice is given SAO prior to scheduled class this will be considered an unannounced no show and the student shall be charged for the service.

Please Note: It is not the intent of SAO to monitor the student's class attendance or participation in activities. However, unnecessary absences can be costly, both to the college and to the transcriber's time.

The Following Policy Will Be Adhered To:
- 1st Unannounced No Show: Letter of warning
- 2nd Unannounced No Show: Student shall be expected to reimburse the college for the interpreter's fee for that class/activity.

In all cases, the student should contact SAO as soon as possible to explain any extenuating circumstances, e.g., illness or emergency. These will be considered on an individual basis.

This policy will be applied per semester and not on a cumulative basis.
