How to Enable Captioning Using Panopto

1) **Edit** the video on Panopto:

![Edit video on Panopto](image)

2) Select the **captions** module and choose **Import Automatic Captions** under **Import Captions**:

![Select captions module](image)
3) Then select **apply**:

4) Now you video will have the Closed Captioning Feature:

Please reach out directly to Liam Owens at lowens@adelphi.edu if you have any questions.
